## LIVERPOOL AREA.

8th July, 1939.

A Chara,

Thanks for your letter of the 7th instant., and the 50 copies of Harrison pamphlet which arrived by later post. I consider these very good propaganda stuff which the average person can read and grasp: it is a pity we have not a much larger quantity for disposal. What about the supply of W.S Armours "ULSTER-IRELAND-BRITAIN" which I understood you to say Dublin had sent you (500): Have you any instructions regarding distribution? or is it intended to supply each area with a quantity. In any case perhaps you could spare me a few copies.

I enclose herewith copy of letter which I have addressed to the General Secretary of the I.N.F. Please pass on to Mr Hickey. What about the A.O.H. Has Mr Hickey written them yet: if not I would suggest doing so as soon as possible as the Annual Conference is sometime this month, I believe. Ask him to let me have a copy of his letter.

Any decision yet re the question of a Press announcement which we discussed when I was in London?.

Please convey to Mr Hickey, and accept yourself, my thanks for your hospitality during the few hours I was in London. With best wishes,

J.O. Barry-Walsh, Uas.

Sincerely yours,

T. A. Moran
